

We, the undersigned, certify that we have inventoried the following Schedule II thru V Controlled Substances, which are excess or obsolete stock and that they have been destroyed in our presence on this date.

**Method of destruction:** \_\_\_\_\_  
**Facility:** \_\_\_\_\_  
**Address:** \_\_\_\_\_

## **DISPOSITION OF CONTROLLED SUBSTANCES**

Drugs in Schedules II through V may be destroyed in accordance with the following conditions.

1. All controlled substances destroyed must be destroyed in the presence of the administrator or designee, and a licensed health care professional.
  2. The method of destruction must be in accordance with the laws and rules concerning pharmaceutical waste that are enforced by the Minnesota Pollution Control Agency (MPCA). Home care agencies should contact the MPCA for additional information on permissible methods of destruction.
  3. A copy of the certificate of destruction with signatures shall be retained by the home care agency for two years.
- 

**NOTE: Controlled drugs should *not* be returned to the pharmacy for destruction or for re-use**
